CFA Invite

To those who have noticed the red container next to the fire station - this is a gas fired training prop. It is to simulate a burning car, so the Fire Brigade can train to handle this scenario.

The Fire Brigade will be training on the prop next Sunday (17th April), at 11 am and invites any member of the public who is interested, to come along and have a look. We will be training from 11 am until 12.00.

FREE BBQ - the Lions Club will be providing a free barbecue to the public after the training. So come along and see your local Fire Brigade in action and stay for a free meal.

ZAC’s Back

After two months of rest and recreation, Zac the donkey, is back in the public arena at a new location. With creek-side frontage, Hill-side views and a beach house, he is in Burkey’s paddock, just before the Bullock Creek.

So next time you are walking out to the Hill, walk over and see him and give him a pat.
Cemetry Trust
Public cemeteries in Victoria are governed by cemetery trusts. Victorian cemetery trusts are divided into Class A and Class B trusts. Class A cemetery trusts have greater financial responsibilities with corresponding reporting and accountability requirements, and govern the larger public cemeteries. The trust members of Class A cemetery trusts are remunerated for their services, while Class B trust members are volunteers.
A Cemetery Trust has guidelines, procedures and regulations which must be followed.
The Pyramid Hill Cemetery Trust is in need of some new members, as some of our long serving team members wish to retire.
The position of Secretary, has been accepted by Mrs Terry Stobaus, with our thanks.
If you are interested in becoming a member of the Trust, or would like more information, please contact Terry, or Chairman, Rob Manson

Mind Bender
A holidayer is on an island inhabited by two tribes. Members of one tribe always tell the truth, whilst members of the other tribe always lie. The holidayer comes to a fork in the road and needs to ask a nearby native which branch to take to reach the river. There is no way of telling whether the native is a liar or a truth teller. The holidayer asks just one question and from the answer, he knows which way to go. What is the question?

Pyramid Hill in the 1980s
Seems the 1980s were very good years for the town with new shops eg Bettina’s, a resident Chemist, extensions to the hospital building, Mitchell Park clubrooms, new silos and an airstrip, to name a few improvements.
See the following report from the Progress Association of 1981.

From the Pyramid Press - 29 May, 1981
Airstrip Completed
Nearly a year ago, our Progress Association decided to have an air strip. Well now we have one, on the very edge of town. No grants were available, so we decided to go on with it locally.
We appealed to the public for donations. We had a good response, both money, material and labour. I must especially mention a very public minded lady who has been an inmate of our local hospital for a number of years, who gave us $2,000. This donation was the difference of an earth strip, to an all weather strip. A very special thanks, lady.
The working arrangements were briefly:
The Shire of Gordon made the machinery available free of cost, to be used only on non working days and the men agreed to work for $5 per hour. This arrangement was carried out under the able management of Peter Grayson, Superintendent of Works. The Lions Club also helped in the making and erection of the wind sock.
To everyone who helped in this project, please accept our sincere thanks.
You never know when we will need the strip. Now we want the flying people to use it. Maybe a fly-in could be arranged.

On behalf of the Progress Association
Jack Leed

Ernie and Gwen Miller wish to sincerely thank all the kind and thoughtful people, who have sent messages of congratulations and lovely cards for our 80th Birthdays.

We are so blessed to have been able to enjoy this special birthday together.

Monday Night Netball
Another season of Monday Night Netball had begun and it is good to see new faces in both games.
At 7pm Purple took the court against Pink. Purple got off to a good start and continued to build on their lead throughout the game. Pink shouldn't be too disheartened as they have a couple of handy players to comeback in.
There was plenty of fresh faces in the second game and the scores reflected this as both teams took awhile to mesh. By the end of the game Red had established a good lead and ended up winning by 24 goals.
There is bound to be a few sore bodies as both games where played in good spirits and we look forward to continued improvement through the season.
Next week Red and Pink play at 7pm and Blue v's Purple at 8pm.

The Bali Nines

The Pyramid Hill Waratahs football club have been working hard on and off the field in an attempt to win back to back premierships in the Bali Nines held for the 12th time as usual on the Queens Birthday weekend in Bali Indonesia. The tournament is played on a soccer ground at the exclusive Changgu sports club where nine players are on the field at once and goals can only be kicked inside the 40 metre mark, games consist of two 12 minute halves.

Last year’s winning coach, Anthony 'Herbie' Hoban, will take the reins again despite shopping himself around to every football club in Asia and getting no takers. Strength and conditioning coach, Bobby 'Tingtang' Gibson, is on board as is Jimmy 'the Ambassador' Hoban who will be taking care of everything on the diplomatic front. Graham 'Lycra' Linklater has taken on the demanding role of team choreographer and is in charge of dance routines for the side’s cheerleaders. In a coup for the team, Michael, 'On the Buses' Carmody and Fred 'Jack High' Schmidt have signed up, even though they thought the Bali Nines were Asian golf tournaments where you only play half a round. Bruce, 'the mongoose is loose' Moon, will be...actually, we are not too sure what Moona's role is, but he seems to enjoy himself whatever it is.

On the playing side of things we have the man from Manangatang: Tony Pearson, the eagle from Eaglehawk: Brad Madden, the torturer from Tatura: Graham Ballis, the ogre from Mologa: Bruce McCahon, and the maiden from Maiden Gully: Jayson Carroll, as well as a host of former stars, has-beens, could of-beens and never-weres from all over Australia that gel together to form a team that has dominated the biggest Australian rules tournament that is held outside of Australia.

Twenty six teams from Australia and Asia have been confirmed, with the Singapore Sharks, Castlemaine Magpies, Hong Kong Dragons and the Perth Allstars expected to be strong this year, as well as the improving Timor Crocodiles and the speedy Japanese Goannas.

The team is still on a recruiting drive for players, supporters and anyone who just wants to get away from the cold weather for a week sitting on a beach and watching football being played the way it should be played, by men who shouldn't still be playing. There is a waterpark next to the football ground for those that bring the family, as well as lots of other activities which our entertainment director Bruce Moon (that's what he does) will be able to provide details on.
From Hon Dr Sharman Stone
This is my 20th year as the Member for Murray, and I am soon to have my 65th birthday. I have been honoured to have served this magnificent region as the Federal Member, but now I believe is the right time to pass the torch to the next person who will represent us with passion and a deep love of our place.
Every day as the Member for Murray I have worked with so many great men, women and children, some descendants of families going back generations, some just arrived in our great country. It makes no difference, we are united in wanting the best for our families and a safe and secure future.
It has been a unique privilege to have served as the Member for Murray. I cannot imagine having had a more rewarding and challenging, but fulfilling role. I thank the wonderful people of Murray, my hard working and loyal staff and my Liberal Teams of branch members who have been my political family since 1996. May we see the Coalition Government returned at the next election (whenever that is!) to keep our country strong and prosperous.

Pyramid Bowls

The Bowling Season may be whittling down but there is still plenty happening around the greens and off the greens too.

Tournaments: This tournament was doomed from the start apparently. Initially it was scheduled to be held on February, 24th but was postponed at that time due to the extreme heat. Little did we anticipate that April 6th would challenge us with wet weather. We managed to get through half the day’s play, but once the wet and the chill set in, there was no other option than to feed the troops and send them home. Fortunately, there was enough play completed to produce some results. Winners were from Cohuna Golf, and the Runners’ Up were from Barham Services. As well, there were numerous consolation awards and raffles to make a variety of players happy. These tournaments are successful only due to the hard work of the members. Special thanks must go to the Catering Committee led by Kate and Nola, and the Greens Keepers for their tireless work. A massive task is the role of the Tournament Secretary, Jan, who attended to each detail meticulously as always. Players might have been cheated of some match play but they did not go home disappointed with the meal. It was magnificent and the compliments were flowing. Well done to everyone who contributed.

Champion of Champion Pairs: Kate and Jean equipped themselves well and certainly did our Club proud when they contested their semi-finals match at Barham Sports. They didn’t progress to the grand-final but can take pride in knowing that they were beaten by the winners from Barham Services. Now we look forward to spectating the match by Marie S. and Lionel in the State Mixed Pairs. They will play in Bendigo on Thursday 21st April. Good luck and good bowling.

Champion of Champion Fours: The good news keeps flowing. Last Sunday our men’s team competed against Kerang in the Champion of Champion Fours and came away with a comfortable victory 20-10. Such was their lead that they were not required to play the eighteenth and last end. This Sunday morning they will compete against Wakool in the Semi Finals and, if successful, will play the grand-final in the afternoon. We wish Fred, Laurie, Lionel and Andy the very best. Good luck lads and don’t forget the purpose of the small ring, old fella.

Moama Bus Trip: The Club organised a social outing to Moama Bowling Club which proved to be a great day out for all who were able to participate. Thanks to David for driving the bus. Not only was the meal and company enjoyable, many seemed to come home with more cash than they took.

ANZAC DAY Bowls: If you are interested in having a roll of bowls on ANZAC Day please place your name on the sheet at the Club House. With sufficient numbers, play will start at 1:30pm. Cost is $5 entry fee with proceeds going to the RSL. Casual dress but flat soled shoes must be worn. Please bring a plate of food to share for afternoon tea. Everyone welcome. Draw from the bank Triples. This is a great opportunity for the Barefoot Bowlers to get into action again.

Lions Citizens of the Year

The Historical Society have found many Citizens of the Year -

Maybe other winners, or their family, might like to fill in the missing years. Just let Raeleen at the Post Office know, or call into the Museum on a Tuesday.
NBN

The contractors have been installing the new NBN antennas on the tower at Mitchell Park. The four new antennas are just below the top of the huge tower where the workers spent much of each day strapped in their harness as they attached the antennas and connected the cables. The NBN will be available in Pyramid Hill soon.

Mitchell Park

Thank you for your response to our request to slow down when entering and exiting Mitchell Park at the netball and playground entrance gate.

We wish to alert all users, that the netball and playground end entry gates will be locked on a Thursday training night and home netball and football Saturday matches.

All vehicles entering must use the main entrance.

Pyramid Hill Football Report

Last week we had the good fortune of kicking off the season by coming up against Bridgewater! Whilst we didn’t come away with a win we certainly showed promise of good things coming our way this season. This year we have had a turnover in Coaching staff with Nathan Fitzpatrick (Under 18’s) Chris Leerson & Levi Southern (Reserves) and Brad Fawcett (Seniors), taking over the reins. Great to have our own players step up to the challenge, so all supporters please get behind them.

Under 18’s

Bridgewater came out of the blocks with a Bang! and the boys were on the backfoot from the outset. Brado Moon was as solid as a rock in defence and helped stem the flow of goals but we were hammered with forward 50 entries and trailed by 5 goals at half time. After an inspirational half time address from the coach the second half showed much better fight and determination from the boys as we ran and spread well and delivered the ball with efficiency. But the margin was too much to reel in as we went down by 17 points.

Final Score: Pyramid Hill 8:9 lost to Bridgewater 11:8

Goal Kickers: B Pickersgill 2, X Ryan 2, J Ryan 1, A Friedberger 1, D Moon 1, EJ Fernandez 1

Best Players: Brad Peters Award: B Goodwin, Millers Ag Supplies Award: B Moon, Pyramid Bakery Cafe’ Award: X Ryan, Coffee Bank Award A Friedberger, Special Award: J Ryan, Others: J Francis, K Shelley, H Webb

RESERVES

To start 2016 we came up against the reigning premiers in Bridgewater. We fielded a full team with 12 new faces in the team. Welcome boys! We started the game really well matching it with Bridgewater, but in the end their run and structure was too much for us. Big kudos to our backline who were peppered all day with quick entries, but never gave up. The midfield gave their all around stoppages and general play. Our forward line didn’t really get much of an opportunity, but as the year progresses look out for the Doggies! We came out of the game with quite a few wounded warriors, but look forward to the game against Newbridge next week.

Final Score: Pyramid Hill .4 lost to Bridgewater 22:12

Goal Kickers:
Best Players: National Hotel Award: J Salinger, Victoria Hotel Award T Woolhouse, Other Awards: K Kerrison, B Keath, N Moon & N Kerr

SENIORS

With a new look Bulldogs outfit there was a bit of uncertainty as to how the boys would go against the reigning premiers. From the first bounce we had great intensity and were able to match Bridgey across the ground. We went into the half time break 20 points down but the feeling amongst the group was one of positivity and belief. This continued throughout the third quarter as we played a fast brand of footy which when we got it right, payed off. Trailing by 4 goals at the final change we knew the challenge was ahead of us but the boys ran out of legs as Bridgey slammed on 8 goals to 0 and the margin blew out to 79 points.

Positive signs though and the only way is up from here as the new faces continue to gel together.

Final Score: Pyramid Hill 7.4 lost to Bridgewater 17.20

Goals: N Fitzpatrick 3, J Lorraine 2, A Dobby 1, D Selkirk 1

Best Players: Victoria Hotel Award: A Dobby, National Hotel Award: M O’Neil, Other Awards: N Dunden, N Fitzpatrick, D Price, B Mievski, M Dunden & J Lorraine

A big welcome to all our new players and their families, we hope you enjoy your first season with us at our great family club. It was great to see so many family members travel to watch their boys don the Doggies jersey and we hope to see a lot more of you. As the season begins, a big shout out to our weekly sponsors who once again have been generous in supporting our footy club. Please get behind our sponsors so that they can benefit from their generosity.

The Social Committee have been extremely busy in the off season planning events that are not to be missed. Super effort team! The Superheros and Villains Pub Crawl had some interesting characters (Snow White!) turn up. Just a shame the super powers could not have been activated hours earlier! A great night was had by all! “a club that plays together stays together .”

Next week hang around because the Killer Pool Comp will be held at the Victoria Hotel! You have to be in it to win it! So please get down to support our local sponsor. The Special meal deal $17 pot and traditional parma needs to be ordered by 7pm!

Until next week Go Doggies!
