Oxfam Trailwalkers 2016

The Pelly Woodside Oxfam Team (Donna Wood, Cathy Wood, Josie Hunter (nee Wood) and Colleen Hampson (nee Pelly)) would like to thank all their generous supporters and donors who contributed to their wonderful fundraising efforts. Thank you to all those who purchased our raffle tickets, homemade Christmas cakes or simply donated funds towards our efforts. Thank you also to those who have encouraged us throughout our training walks and followed our photo shoots and activities posted online. This year, our third attempt, raised $2,647. The Oxfam Melbourne Trailwalker event this year raised a few dollars short of $2.5 million, which supports those in poverty and injustice throughout the world.

Oxfam Australia works with local communities to help them create their own sustainable solutions to poverty. They are promoting education, ensuring access to clean water, teaching skills to grow food and advocating for their basic rights. By supporting Oxfam Trailwalker, you are making a significant difference to people living in poverty around the world.

We would also like to thank our Support Crew consisting of Chris Hunter, Jamison Hunter and Rory Ballis. During the Oxfam Trailwalker, Support Crews have access to all but one checkpoint where they provide valuable food and drinks and whatever else their team demands! Our support crew stood head and shoulders above all others. We were extremely fortunate and much of our success in completing the course and achieving our best time goes to these three people. While our team walked through the night, the support crew drove to meet us at the next checkpoint. Little rest is found for the support crew as they set up the next site in readiness for our approach. Thank you to our families who have supported us during our training and throughout the event. Our training has taken up a great deal of our weekends and time with families so we thank our loved ones for their patience, encouragement and the odd massage.

The Oxfam Trailwalker is more than a 4 person team effort. It has required effort from so many more beyond the Pelly Woodsides and for that we are extremely grateful. Thank you.

The overall ranking for our team this year was

Not only were we excited about these results but we were successful in achieving our goal of completing the 100km trail in under 24 hours. Our best time in three attempts with a finishing time of 23 hours and 33 minutes. Our starting time was 6.30am on Friday 8th April and we passed the finish line at 6.03am on Saturday morning. Conditions of the event include passing each checkpoint as a team of four. The trail commenced at Jells Park, Wheelers Hill and passed through Churchill National Park, Ferntree Gully, Olinda, Mt Evelyn, Woori Yallock, Millgrove and finishing at Wesburn. We were blessed with weather conditions as it was overcast and dry. Climbing Mount Little Joe around 4.00am was our most difficult stretch with darkness and cold winds hindering our efforts. Passing the finish line was emotional and rewarding. Our heads and hearts were full of many stories, laughs and tears shared over just short of a day’s walk. Keep posted for our next challenge!
Anzac Day 1954

Address by Gallipoli Veteran

Introducing Mr. J Wales, of Gunbower, to give this year’s address, the President said their guest had many associations with Digger affairs and was well known locally. He was a Gallipoli Veteran and now a State Councillor for the 23rd District Board of the Returned Soldiers’ League. The Pyramid Hill sub-branch felt honored to have him address their Anzac gathering. Mr. Wales first spoke of Gallipoli experiences. His unit, the 4th Light Horse were camped, he said, at Mena base when the 3rd Brigade was called out about six weeks before the landing for special preparation. They (the 3rd) were the first in the landing. Their valorous deeds are now glorious history as were those of the battalion of bronzed brave troops of Australia and New Zealand that moved up to support them. The Light Horse had their mounts removed, and his unit also landed on the Peninsula.

It was there indeed, that the Digger learnt what true friendship meant - a valuable bond that nothing could take from one, “ANZAC” was created there - a proud tradition shared between Australia and New Zealand men that the nation now honors.

The soldiers carried their traditions home with them and Australia became even greater because of them. As a nation the peaceful years passed they faced the bad depression years, until tragically, there was a return to war in 1939. And again the world was to witness and learn of great deeds of valour and sacrifice that freedom might be paid.

“The price we pay for freedom is some do not return” The ex-servicemen who did vow that dependents of fallen comrades would never starve and that they would adequately be looked after.

The Returned Soldiers’ League had carried out its pledge- but often it was hard to prove that sick cases among Returned Men “was due to war service” The speaker said he had nothing but praise for the medical men, the doctors who helped RSL officials in their work of looking after sick Diggers. At Leitchville we had a case and I am most grateful and appreciative of assistance rendered by your Pyramid doctor in getting this soldier accepted” Mr. Wales said.

The public could help when the League sold its tokens and Poppies, the funds going to help of sick returned men or their dependents. The RSL had many ways of “service” to more unfortunate comrades; it took a lead in helping genuine cases.

Mr. Wales’ remarks were a strong case for the continued existence of the RSL, for the Remembrance of Anzac day and all it stood for. He spoke with such sincere conviction of these things in a way that has rarely been heard to better advantage—some say that within 10 years the Anzac Day will pass - but I have known for 39 years---- and nothing can take away the deep impression, the lasting belief I hold, and I feel that you all hold to the Anzac ideal and the special day” the speaker said in conclusion.

Anzac Day, Sunday 25th, April, 1954 was observed at Pyramid with a march of ex-Servicemen from the Avenue of Honour and the commemoration service at the Memorial Hall.

In three ranks, led by the Pyramid Caledonian Pipe Band, about 30 strong the men strode along the quarter mile route, and many wore their Service medals, decorations and ribbons. Among the bystanders were a few Returned Badges, for various reasons they did not march, but came to join the silent tribute.
Anzac Day at Mologa

An Anzac Day service will be held at the Mologa War Memorial on Anzac morning at 8am to commemorate the service and lives of soldiers from the district of Mologa. Followed by a BBQ breakfast, bring your own meat and chair.

Pink and Red took to the court for the 7pm game. The match was a low scoring tussle between two fairly even teams. It was good to see Kelvin starting to find some form. Red ended up opening a match winning lead by the end of the game with a score of 17 to 7 goals.

Purple played Blue at 8pm. Purple took the lead early and continued to build on it ending with a score of 44 to 18 goals.

**Book Club News**

After a long hot and lethargic summer, here I am back in print. We have changed our approach to choosing books. Due to increasing costs and bulging book shelves, we are now getting two or three different books and passing them around, so that there is a three month turnaround. Also, we exchange our own collections. This means that I will not always be giving a collective opinion. The reviews could be my own interpretations from time to time.

The first of three I want to write about today is the one I really liked. It is a memoir by author Cheryl Strayed (her pseudonym) titled “Wild”. Cheryl did not know her father. She lived with her mother and two younger siblings. Although her mother often “went out”, and sometimes stayed overnight, leaving her in charge of the household, she had a very close affinity with her. Only after she married at a young age and had a child, did she understand how important that relationship was. After the death of her mother and the realisation that she had, and still was, leading a very mundane life, things spun dangerously out of control.

An article about the challenge of the Pacific Crest Trail caught her imagination and she felt compelled to leave her demons behind and take on that incredibly long and arduous task. The trail begins in the Mohave Desert and follows the west coast of North America to the Canadian border. With no experience in hiking or camping, she set herself up for the journey. How she coped with the physical and mental challenges and overcoming them as they happened, was a cathartic experience.

Her account of the journey, from the people she met, the dangers encountered, but most of all, the brilliant descriptions of mountains and plains, was to me, totally absorbing. If I have the chance, I would like to see the film, with Reese Witherspoon in the leading role. In the afterword at the back of the book, she writes that she is now happily remarried and has two sons.

False Alarm

About 20 people answered the fire siren which was followed by the bell, signalling a town fire on Tuesday evening.

Smoke appeared to be swirling out of the vent at the Pre-school and a neighbour had raised the alarm.

It was fortunate the volunteers didn’t start squirting immediately - the Bonney’s men, who were fumigating the Pre-school, would have got rather wet.

Footpath Extension

Finally, after 27 years living in Pyramid Hill, the Shire has advised that the two footpath extensions to the roadway at the corner of Ottrey and Kelly Streets, will be fixed very soon.

More Success to Report: What an awesome foursome! Fred, Laurie, Lionel and Andy continued on their winning way from the previous week when they took on the very formidable Wakool team in the semi-finals of the District Fours Championship competition. With a great display of precision bowling on a super quick green, the fellas showed their skill and tenacity, holding their nerve and demonstrating strong team work. They got away to a good start and remained steadfast in their endeavour. Their final score of 16-8 reflected their dominance. Time and again, Fred bowled with precision to give his team the advantage of a winning end. They were then confronted with the task of playing Barham Sports, who had just earlier defeated Cohuna Golf in a tight tussle, to play off in the Grand Final. They got off to a flying start with 3 shots on the first end, but it was level pegging after that with neither team able to forge ahead and get a break. The incremental scoring was going in gradients of 1 shot on each end- thankfully, our guys were doing most of the accumulating. Barham Sports had to resort to killing a couple of ends when the guys were holding multiples on a few occasions. They seemed to be able to achieve that with ease. However, with Andy leading superbly, the ever dependable Lionel building on the head and Laurie hitting his straps with some good placement bowls, the pressure was really on the opposition to produce the goods. Fred held the team together with some solid bowling and strategic head building. By the 16th end with only two ends to play, the lads had increased their lead to a handy 17-9, but even then it didn’t feel comfortable. One loose end could easily undo all the hard work. Barham scored two shots on the 17th end leaving themselves just 6 shots short. As the final 18th end swung into action, Andy placed his first bowl almost on the jack. Lionel and Laurie added great bowls to build the head but alas, the opposing third managed to move the jack into the ditch leaving PH 4 shots down. Until…along came Fred! His final bowl was a real pearler. It was so precise it teetered on the edge of the green just inches from the jack to give PH the Grand Final win 18-11. What a bowl! What a game!! What a win!!!

State Championship Week:
Well done to Roma Opie, Marie Scott and Bev Wood (a combined Leitchville-PH team) who represented the Murray - Mallee Region in the State Triples Championship competition on Tuesday. It was a wonderful game to spectate with some grand bowling by both sides. Our girls led from the start but succumbed to the pressure of pin-point bowling to give away the lead with just three ends to play. Although not winners, they equipped themselves well and just went down 15-11. Their opponents went on to win their quarter final by one solitary shot to earn the right to play in the semi-final on Thursday. Good luck and good bowling to Marie and Lionel who will play the Mixed Pairs competition on Thursday. On Tuesday afternoon spectators were treated to a match at the highest quality when Phillip Thorn from Echuca City (Bendigo Campaspe Singles Champion) and Aaron Wilson (the world U25 Champion) competed against each other. Phillip Thorn emerged victorious from this elite competition. The standard of bowling was mind blowing!

ANZAC DAY Bowls:
If you are interested in having a roll of bowls on ANZAC Day please place your name on the sheet at the Club House or let Lionel or Marie N know. With sufficient numbers, play will start at 1:30pm. Cost is $5 entry fee with proceeds going to the RSL. Casual dress but flat soled shoes must be worn. Please bring a plate of food to share for afternoon tea. Everyone welcome. Draw from the bank Triples. This is a great opportunity for the Barefoot Bowlers to get into action again.

Presentation Night: Please put a note on your diary for Friday, 13th May. Starting time is 6:30 for 7:00. The Pre-School Committee are catering so we look forward to being treated with a magnificent meal. Cost is $25 per head. All members, family and friends welcome. Place your name on the sheet at the Club Rooms to indicate your intended attendance.

Tournaments:
We still have couple of tournaments to host before the finish of the season. Our next Tournament is our Invitation Day on Tuesday May 3rd. Please make yourselves available to contribute to a great day.

Round 2 v Newbridge
(16th April 2016)

A GRADE
Newbridge started strong with a tall team for Pyramid to come up against. With the sun affecting goaling accuracy, Pyramid Hill was down going into the second quarter. Pyramid made some changes but Newbridge continued with very few mistakes. During the last quarter Pyramid Hill made some beautiful plays but could not come out on top. Bad luck girls.
Newbridge 68 d. Pyramid Hill 14
Best – Zoe Kennedy

B GRADE
A competitive game today by Pyramid Hill saw the girls down by only 2 goals at the first break. Hayley and Emily created numerous opportunities with strong rebounding and good defensive play by Chelsea Mann. Changes saw Megan holding well under the goals allowing some great use of the lob pass for some easy goals. Bec ran well through the centre on a warm day. The final result saw Pyramid fall 9 goals short, but lots to work on and exciting times ahead.
Newbridge 29 d. Pyramid Hill 20
Best - Hannah Mullins

C GRADE
With a completely new look C Grade team from Round 1, the girls fought hard all game. The heat was challenging for all though with lots of turnovers and intercepts which allowed Newbridge to make the most of their opportunities. There were lots of positional changes and both ends were pushing hard for rebounds and loose balls but were unable to chase down Newbridge’s lead.
C Grade - Newbridge 44 d. Pyramid Hill 18
Best - Billie-Jo Donat

C RESERVE
Round 2 saw C Reserve take the court for their first game of the season, with plenty of new faces. The end of the first quarter saw Pyramid down by 10 goals. Some great passages of play in the 2nd quarter saw a couple of early goals. Injuries leading into the second half saw a lot of shuffling around, but in hot conditions a more experienced Newbridge drew away with the win. But a great first game girls!
Newbridge 50 d. Pyramid Hill 10
Best - Rebecca Nunn

17 & UNDER
On a very hot day, Pyramid took to the court and showed immediate improvement from last week. Some inaccurate passing let the girls down and allowed Newbridge to goal. But the girls continued to try hard and had some great passages of play. Keen to see how much we can improve next week.
Newbridge 33 d. Pyramid Hill 21
Best - Teagan Stewart

15 & UNDER
Second game for the season and the girls started off well, going goal for goal for almost the entire 4 quarters. There was some amazing defence and great shooting, but Newbridge just managed to gain a 3 goal advantage by the final whistle. Good work girls!
Newbridge 30 defeated Pyramid 27
Best - Olivia Hampson

MINIS
It was a beautiful, sunny day in Pyramid Hill as the girls stepped onto the court. Coach Meg had a cunning plan of multiple shuffles, giving each of the players lots of variety and experience in different positions. It was a closely contested game and the girls excelled themselves.
Best – Hailey Petrowsky

Football Report

Seven days can be a long time in the football world as we saw a big turn around this week against Newbridge and came home with 2 out of 3 wins. We saw more new faces take the field and we hope that those who were hit by injury last week, make their return to the field soon.

UNDER 18’s

The boys were eager to bounce back after a disappointing showing last week and showed great intent from the outset. Winning the contested ball and clearances and getting a 6 goal break by quarter time. The conditions were hot and as the game progressed the boys continued to tire.

But the effort was great and the courage and determination was superb. A great, all round team performance with everyone contributing to a 130 point win.

Final Score: Pyramid Hill 21.12 def Newbridge 1.2

Goal Kickers: A Friedberger 4, J Moon 3, J Francis 2, X Ryan 2, B Goodwin 2, Z Dingwall 1, L Douglas, EJ Fernandez, M Gunther, B Moon, D Moon, J Ryan, K Shelley

RESERVES

After a heavy loss last week it was time for the boys to learn another lot of new faces. After 7 injuries, it was time to start from scratch. We were able to register our first goal through Chris Hill. From there we locked the ball in our 50m for the rest of the quarter.

Once again, our back 6 were excellent. Our forward line kept on presenting all day with our midfield helping our. It was well fought all day, unfortunately we couldn’t come through with the win. We are looking forward to our next match against Marong. Go Doggies!

Final Score: Pyramid Hill 5.9 lost to Newbridge 16.9

Goal Kickers: C Hill 2, L Southern, M Scott, N Byrnes

Best Players: National Hotel Award: M Scott, Victoria Hotel Award N Byrnes, Other Awards: D Tonkin, K Kerrison, A Duncan, N Kerr, C Leerson, T Woolhouse, J Cooper

SENIORS

The boys came out firing on our home deck, keen to make up for our Round 1 loss. Kicking against the breeze in the first quarter we dominated most of the play and took a 20 point lead into quarter time. Birthday boy Trent Barri was producing some amazing leaping skills in the ruck and young gun Steve Gunther running his own show on the wing as we increased our buffer to 33 points at the main break. There were some great contributions all across the ground as our defenders held their own, the midfielders constantly won the ball around the ground and the forwards had their kicking boots on with Deano Selkrag and Fitzy snuggling 3 each. The boys never let up all day and made sure that we recorded our first win for the season taking the final margin out to 47 points!

Final Score: Pyramid Hill 7.4 lost to Bridgewater 17.20

The ideas that we can achieve are being written up and will be submitted to Progress in the coming months. Stay tuned...

It was a great town effort and everyone’s input was much appreciated, so much generosity, typical of Pyramid Hill.

Thank you all.
