As part of the Engine Room presents program, **Pyramid Hill** will be entertained by the comedic and musical delights of *Reception: The Musical*, a toe-tapping original score written by award-winning writer/performer, Bethany Simons, and leading Melbourne composer, Peter de Jager, on **Tuesday, 17th May**.

Residents may remember Bethany’s stunning performance a few years ago of *The Weather and Your Health* that has been one of the most talked about shows to visit the town.

In *Reception: The Musical*, Simons recalls and finds joy in the manic world of customer service, stationery orders and thinking on your swivel chair. Inspired by true stories from behind the front desk, this original cabaret comedy is a must-see for office workers and theatre lovers everywhere. It’s the office memo you don’t want to miss!

Simons is an award-winning writer and performer based in Melbourne. This latest work, was awarded ‘Best Cabaret’ at the 2014 Melbourne Fringe Festival Awards and received two nominations for 'Best Writing' and 'Best Original Songs' at the 2014 Green Room Awards.

Finding her inspiration in the everyday, Simons believes that nothing is funnier or more beautiful than real life and true stories.

The Engine Room presents has partnered with the Fringe on Tour regional touring program that features theatrical performances that are accessible to regional and outer metro areas. The tour itself is designed to give its audience the chance to experience and participate in the arts and to encourage and foster young talent while allowing the performers themselves to flourish.

Since 2011, Melbourne Fringe Festival has been creating opportunities for up-and-coming performers to showcase their talent not just in Victoria, but nationally and internationally through this program.

Reception: The Musical is a witty, hilarious and strikingly familiar performance that everyone can relate to.

“A flawless duet of music and acting. Comedic, energetic, highly entertaining”, Stage Whispers

Anzac Day 2016

‘... At the going down of the sun and in the morning, We will remember them.’

A large number of students and staff from Pyramid Hill College, St. Patrick’s Primary school and community members attended the ANZAC Day service at the Memorial Hall in Pyramid Hill. School Captains, Teagan Stewart and Feliz Garchitorena, from the College, laid a wreath at the foot of the new memorial wall, and also presented during the service. Wreaths were laid by students from St. Pat’s and other community representatives. Guest speaker was Senior Constable, Brett Johnson. Students and staff from the College also attended the Mologa Service and Alina Gould and Jack & Cooper Gould laid a wreath of behalf of the College. Thank you to everyone who attended these services to remember all those who served and died in war and the sacrifices they made for our country.

Pay it Forward Day - Thursday, 28th April

Today is “Pay it Forward Day” - Why “Pay it Forward”?  

- To encourage all of us to embrace the incredible power of giving  
- To show each other that we care and that there is love, hope all around  
- One good deed might not seem like much, but if everyone did something good for someone else, then the cycle of generosity and kindness can spark us to become better people.  
- Acts of kindness improve our mood, connectedness and overall health.

Pay someone a compliment, hold a door open for someone, offer to carry someone's groceries etc. send someone some flowers, offer to do a neighbour's shopping, help out a friend or family member - if you have missed today, do it tomorrow and every day.

**Anzac Sons**

“Anzac Sons” (the children’s version) has made it to the 2016 Children's Book Council of Australia Book of the Year Notables list — The Eve Pownall Award for Information Books.

This is very exciting and a great honour for Allison Marlow Paterson to be recognised with such wonderful Australian authors and illustrators.

“Anzac Sons” truly is a remarkable and inspirational book. It is the story of the Marlow brothers in World War One, five young Australian men from Mologa, who enlisted with enthusiasm and a sense of duty, three were to lose their lives. This powerful children’s book brings their story to life and is supported by letters, postcards and mementoes that the brothers sent to their family at home. It is based on the original title Anzac Sons: the Story of Five Brothers in the War to End All Wars, which was compiled by Allison, the granddaughter of a surviving brother from over 500 letters found in the derelict family farmhouse. It is a narrative that not only provides an insight into the experiences of a family but also provides a brief history of the role of Australian soldiers on the Western Front.

Congratulations Allison & Big Sky Publishing.

Shortlisted books will be announced on May 20th and the Book of the Year awards on August 19th prior to CBCA Book Week.

Lions Citizen of the Year
The Lions Club is calling for nominations for our Citizen of the Year 2016. Surely all the sporting clubs out there have tireless volunteers in the background, who do so much for the club. Closing date for nominations is Wednesday, 15th June. Nomination forms can be collected from the Newsagency.

Lions Market
Please come along to the Market on 14th May - we have great stalls, but sometimes out of town stall holders only come once and don’t come back, due to lack of support. We are open to anything - car boot sale out the front or a garage sale at the front.

Deb Dress Showroom at the College, was well supported by sellers (out of towners), with some amazing dresses, but not too many purchasers. Thank you to the College for allowing us to use their building.

Lions Christmas Cakes are still available at the Newsagency or Victoria Hotel.

The Lions BBQ Van has been very busy in town and out of town, which is great. Our next venture is to raise enough funds to install a fridge in the van, but it is very expensive.

Oh, So Close! Another nail biting game! Another finish just short of the full accolades. Lionel and Marie very nearly, almost got across the line in their match at Bendigo East when they represented the Murray Mallee Region to contest the State Mixed Pairs event last week. It was a spectacle to behold with superb bowling all round but an early, unfortunate 5 shot deficit end came back to bite them, leaving the large gallery of supporters wishing that hadn't happened. Lionel was awarded best bowler on the green by the spectators. He had the Midas touch... everything, every bowl turned to gold. But naturally Marie was there with great placement bowls for him to work with. Going into the 18th and last end they were 3 shots down after a see-sawing game where no-one could break away with a distinctive lead. Three shots was not outside the realm of possibilities. The cries of delight rang out when, with his final bowl of play, Lionel picked up the jack and carried it back to an accumulation of four PH bowls. If the game had been concluded then, Lionel and Marie would have come away winners. Sadly for them, the opposing Skip still had his last bowl to play. And it was a good one. He managed to draw second shot. It was a fantastic effort on his part but it brought about the demise of our pair. Congratulations, Ernie and Bruce!

Presentation Night: Please put a note on your diary for Friday, 13th May. Starting time is 6:30 for 7:00. The Pre-School Committee are catering so we look forward to being treated with a magnificent meal. Cost is $25 per head. All members, family and friends welcome. Place your name on the sheet at the Club Rooms to indicate your intended attendance.

Tournaments: We still have couple of tournaments to host before the finish of the season. Our next Tournament is our Invitation Day on Tuesday, May 3rd. Please make yourselves available to contribute to making this a great day.

Board Meeting: The next Board Meeting is scheduled for Wednesday, 4th May at 7:30pm

Book Club
“The Dressmaker”

The first half of the book was disappointing to me, after hearing good reports: it seemed to move slowly and depressingly, with a group of people with character-revealing names, gossiping about that daughter who had come home to visit Mad Molly, whose dilapidated home was down there near the ever-smoking rubbish tip.

Things changed when it was learned that Tilly was a dressmaker who had worked in several of the best Paris fashion houses. The description of beautiful fabrics of the time, lit a spark of interest in me. The 50s and 60s were the years of my dressmaking ballroom clothes. There was certainly a wave of new and beautiful fabrics on offer. The opportunity to be in on the chance to have Tilly make nice clothes for them was not lost on the suddenly social-climbing ladies (spiteful gossiping women) of Dungatar. But Tilly did not get paid. So proud and haughty did they become that they decided to dabble in a little “culture” and produce a Shakespearean play. Arguments erupted about who would be cast in the character roles, but one thing was certain, Tilly was to be the costume maker. Tilly said she would do it if she was paid.

It appeared that money for insurance had been paid, but that was used elsewhere. Opening night was close and the costumes finished, but still no money for Tilly. Penniless, tired and hurt and her mother no longer alive, Tilly did a drastic thing. Retribution was at hand. She doused the house and contents with flammable fluid, put a match to it and caught the train out of town.

There are various opinions about the film, which starred Kate Winslet. I have not seen it yet, apparently it varies somewhat from the book. What surprised me was that men who watched it had high praise for “The Dressmaker.”

Football Report

Marong V Pyramid Hill

Marong put on magnificent weather conditions for the ‘Mick Herrick’ memorial game and went all out to win the prestigious cup by having the ‘Fev Show’ roll into town. The spectators were not disappointed with three fiercely competitive games of football played out for the day. The ‘Fev Show’ no doubt was the highlight of the day and Mick O’Neil proved his worth by keeping ‘Fev’ pretty quiet and allowing him only 5 goals.

It was great to welcome members of the Herrick family back to the fold and no doubt Mick would have been looking down proudly watching his two beloved clubs battle it out in a fiercely competitive game that displayed great skill, determination and sportsmanship. All qualities that defined ‘Mick Herrick’.

UNDER 18’s

Coming up against the reigning premiers with an undermanned outfit the boys knew that the task was going to be ahead of them. We came out with some real fight and matched the Panthers across the ground taking a 7 point lead into quarter time. As the game wore on, the bigger Marong bodies slowly gained the ascendancy and whilst we had plenty of the ball, we were unable to execute when kicking inside 50. We put up a gallant fight but ultimately fell 4 goals short. Plenty of positives to be taken out of the game however with a couple of quality players to come back refreshed after the bye.

Final Score: Marong 10.9.69 d Pyramid Hill 6.7.43

Goal Kickers: J Ryan 2, S Gunther 1, M Gunther 1, EJ Fernandez 1, A Friedberger 1

Best Players: Brad Peters Award: B Goodwin, Millers Ag Supplies Award: J Ryan, Coffee Bank Award: C Saunders, Bakery Cafe Award: A Friedberger, Special Award: J Francis, Others: A Hudson, B Moon, K Shelley

RESERVES

We started the game really strong this week and our attack and endeavour on the ball all game was first class. Our back line once again stood strong and our forward pressure was brilliant leading to many shots at goal. The team is really starting to gel together well and starting to look dangerous with only going down to Marong by a goal. It was just the accuracy that let us down around goals. Really proud of the boys this week, the future looks bright and a win is not far away! Go Doggies.

FINAL SCORE: Marong 6.11.47 d Pyramid Hill 5.11.41

Goal Kickers: M Scott 3, B Keath 1, D Mann 1

Best Players: National Hotel Award: A Duncan, Victoria Hotel Award M Scott, Other Awards: N Kerr, N Moon, K Kerrison, N Byrnes, D Tonkin, T Woolhouse

SENIORS

After winning the toss and kicking with the breeze we knew a fast start was needed, and that we got. Kicking 5 goals to 2 in the first quarter to take a 22 point buffer into the first change. After the break though the Panthers quickly grabbed the momentum and the boys struggled to win the contested ball around the ground leaving the defenders with an almighty job to try and restrict the flow of goals. Marong piled on 10.3 to 0.3 and we trailed by 40 points at the main break.

After some inspiration from coach Fawcett at the break we brought the margin back to 15 points at three quarter time and that deficit was then cut to 4 points mid-way through the final term but we couldn’t hold on as Marong regained control and kicked away to win by 4 goals. A great fight back, but it was too little, too late.

Final Score: Marong 19.9.123 d Pyramid Hill 14.15.99

Goals: B Micevski 3, J Wishart 2, D Price 2, J Lorraine 2, N Dundon 1, B Driscoll 1, N Fitzpatrick 1, A Dobby 1, D Selkirk 1

Best Players: Victoria Hotel Award: D Price, National Hotel Award: N Dundon, Other Awards: M O’Neil, T Barri, J Wishart 1, B Micevski, M Dundon

$200 Draw tickets are available now and will be drawn at every home game for the entire season. So catch up with Bruce Moon or Matt Scott for a ticket as limited numbers are available.

Our good wishes go out to Hughie Miller who had a bit of a spill and came off second best to his BMX. Word on the street is that all wheels are being removed from the Miller household and that Hughie Miller once recovered, will be in line for the best attendee at all football training sessions come the end of the year. (That is Tuesday and Thursday night Hugh!) This week we have the bye, so all have a restful weekend and allow any injuries to heal so that we are in best shape to take on YCW at home on May 7.

**Lighting up Kelly Park**

Work is set to begin next month on the second stage of a major upgrade of Kelly Park in Pyramid Hill.

We’ve been delighted by feedback received following the recent construction of a half-court basketball netball court and the installation of an irrigation system to maintain freshly laid turf.

Residents have now welcomed news that work to upgrade their playground, improve the park’s landscaping and install lighting are about to get underway.

From the earliest concept stages the project included close community consultation to ensure Kelly Park was developed into a space which attracted residents of all ages to meet friends and neighbours in.

Floodlighting the park with solar bollards and installing lighting over the entertainment area will provide the finishing touches to maximise usage.

The $130,000 project, which is expected to be completed by December, has been supported by a $54,000 state government minor facilities program grant and $15,000 federal government community support fund allocation, with the balance to be met by Council.
