Forbesy’s Story

Bowel cancer is an insidious disease whose whole aim is to destroy the person who is carrying it.

There is no question that early detection saves lives, but the basic problem we face is that the sufferers of bowel cancer do not take their queries to their general practitioner soon enough. I personally can vouch for the cure for the disease, as I suffered from it for 4 years before they decided that it was no longer dangerous.

Amongst this period, I spent 7 weeks in intensive care in the Box Hill Hospital. Many around me did not live to tell the story, but most of them were far too late in getting their problem diagnosed by their GP.

Many contradict the fact that they may have bowel cancer, and will not cross the road to see the doctor to get an examination. Failure to do so may cost you your life.

One of the stages of recovery in my case was the fitting of a colostomy. A few were doubtful that it would assist them when fitted, but the nurse in charge said, gentlemen, it’s the bag or the box. There was 100% take up on the offer. As each day passes, the medical fraternity learn a little bit more about the dreaded enemy. We are very fortunate to have in our region, some of the great surgeons and nurses who specialized in bowel cancer. Again, I reiterate, do not put this off, ring your GP today and book in an examination.

If you have a friend that is doubtful about his condition, take him with you. We can only win this battle if we fight it together.

As one who has been through the long retracted recovery period, I have nothing but praise for those who, on a daily basis, deal with this enemy. Your local practitioner will only be too happy to assist, and give you a plan, should you be found positive. This is a battle we must win. Just think of your family first.

Bowel cancer screening every 2 years could save your life

Did you know that 1 in 12 people will develop bowel cancer before the age of 85?

- Most people should complete a bowel cancer screening test every 2 years from the age of 50
- Screening gives you the best chance of survival
- Don’t delay—talk with your GP about bowel cancer screening
- The National Bowel Cancer Screening Program sends free screening kits to eligible people aged 50+
PH Football/Netball Club Catering Committee
AGM
All welcome to Pyramid Hill Football/Netball Club's AGM meeting on
Thursday 20th October 7pm
at football sheds.
We need new members, so please come along and join us.

Katrina van Eyk Swimming School will be offering classes during the 2016/17 swimming season at the Pyramid Hill Swimming 33m Pool.
The lessons will run through the pool season with a break from the 19/12/2016 to the 8/01/2017 finishing on the week of the 17/02/2017.
My qualifications include the AUSTswim courses of Swimming and Water Safety, Infant and Preschool, Competitive Swim Strokes, First Aid and CPR. I also have my working with children’s check.
Please contact me to register your or your child’s interest by the 1st of November.

Pyramid Hill Night Netball

Red came out firing hoping to build on their big win from last week and at quarter time they were still in with a chance. Unfortunately for them Purple started to dominate and opened up a commanding lead. In the second half Red were competitive but it had started to become obvious that already this season they were playing for early draft picks. Purple won the game with 41 goals to 20.

In the second game Pink were looking to make amends for their loss last week but Green were up for the fight. In what was a close first half Belinda found her form in the GS position and there wasn’t much in it at half time. In the second half Green held their nerve and came away with a 2 goal win. Pink have now lost 2 in a row and the bye has come at the right time for them to regroup.

In next weeks games Green play Purple in the early game and Red play Blue in the late game. Pink has the bye.

National Walk to School Day
On Tuesday Pyramid Hill College joined with St Patrick’s School to celebrate National Walk to School Day. All students and some teachers walked to school from the Lion’s Park and then had a delicious breakfast. Tania Maher-Toose, the NDCHS Community Nurse then talked to students about the importance of an active lifestyle and the pros and cons of energy drinks.
F-8 students then participated in a plethora of physical activities.
Thanks to the Loddon Shire for their contribution towards the National Walk to School Day. Also a big thank you to staff and senior students for their organisation, leadership and participation throughout the day.
In the afternoon Year 2-10 students had the privilege of meeting and participating in a presentation by Rio Olympians:
Josh Dunkley Smith - Rio silver medallist in rowing
Rowie Webster - water polo vice-captain, London bronze medallist. Sadly the girls missed a medal in Rio, much to their disappointment.

Pyramid Hill Bowling Club
The Mid-week
Pennant bowling season kicked off on Wednesday with the brave competitors combatting the cold, strong, gusty winds – in direct contrast to the beginning of last season. There was certainly no call to be concerned about the Heat Policy. Division 1 scored a bye first round so they have another few days to work up some form. With minimal practice under their belts due to the persistent rains of late, the Division 2 players performed extremely well against Leitchville who were last season’s Division 2 Premiers. They managed a very creditable win, loss and draw result.

The winning team was Robyn F (Skip), Andy N. and Beth McC. Their score of 19-15 gave them the added bonus of the “incentive award” for the best performing team on the day. Congratulations and well done!

The team which played a draw featured Jenny E (Skip), Dawn H. And Alan J. What a nail biter finish!! A score of 18 -18 after 21 ends was a great achievement.

The other team with Lorraine (Skip), Gladys and Rose put up a gallant fight and were even in the front running mid-way through the game. Finally they succumbed to a 13 shot deficit (17-30), however, this was a very good performance given they were competing against a team lead by a highly credited and experienced player.

All in all it was a very fine effort and our players should take heart from their performances. Not only did they compete well, they coped with the chilly winds – those warm home fires were no doubt inviting.

A HUGE thank you to Andy who did the majority of the work in attending to the jobs listed for the Duty Rink, but thanks also to everyone who jumped in to help with the housework and menial tasks. Thanks to Allan and Andy who had the greens running well despite the challenging weather conditions.

Next week’s matches: Division 1 get into action as they travel to Kerang. Division 2 will join them there to also compete against the Kerang foes.

60 and Over matches have been interrupted by rain. After travelling to Barham Sports last week they only managed to complete one game before the heavens let down another deluge. Andy, Allan, John P & Ernie won their game and were well on their way to getting the dead chook award. They had at least removed the wings and were ready to tackle the drumsticks when the adjudicators determined the game should be abandoned. Then, as luck would have it, they missed out on the draw for the chooks from the tied teams.

Saturday Pennant commences this weekend with both Divisions 1 and 3 travelling to Kerang. With largely diminished numbers it will present a formidable challenge, but a challenge that will be courageously met. Thanks to all who have made themselves available. Please check team selection sheets and times for cars departing. If you have two arms, two legs and a set of bowls you are probably selected to play.

Shade Refurbishment. It is certainly a pleasure to drive past or visit the bowling greens to see the newly erected shade structures. The paint work has given the structures a face lift thanks to the efforts of Michelle Schmidt and Ian B. and the shade sails were erected by “Custom Shade Solutions” (Mark Gronow). Our facilities are definitely up there as being amongst the best in the area.

Thought for the day: You have brains in your head, you have feet in your shoes. You can steer yourself any direction you choose.

Occasional Care up and running
Families living in the Pyramid Hill area have the opportunity to enrol their child in occasional care from this week.
Council’s Early Years team received a positive response from families in the area about their intention to establish an occasional care program at Pyramid Hill Preschool.
As a result occasional care will be available to families on Tuesdays between 1.45pm and 3.20pm at a cost of $12.64 per session.
Families are able to book care on a casual basis, however those wishing to secure a permanent booking will benefit from a 10 per cent discount when they pay their term fees in full.

Bookings can be made and further information obtained by phoning the Serpentine Council Office on 5437 7999.

Historical Society Book Launch
Sunday, 16th October
Mitchell Park
11am - 3.30 pm

Have you ever felt lonely,? Have you ever felt blue? With this weather are you sitting in four walls and sick of yourself? Well put on those shoes and get happy by coming to Mitchell Park on Sunday October 16, 11am -3.30pm .
Enjoy the company of old friends, and make new ones, have lunch with your neighbours, talk and do some Christmas shopping at the market stalls, remember, and tell some tales of the classic cars on display, see if your judgement is good when you guess the weight of the sheep.

Talk to our local police, Peter Walsh, or our local councillor, Cheryl McKinnon, even the Mayor might be here and you may like to whisper in his ear for something not quite right. Do have a look at the vintage machinery that our pioneers used in days gone by. It is a far cry from what you are working with today.
At 1pm the book launch will take place. It is all about the social history of Pyramid Hill and District 1890-1899 costs $30 and only 130 printed. It will be launched by Peter Walsh, M.P. and responded to by the one and only John Forbes from Mitiamo. John has been involved with the Blue Ribbon Foundation for many years and when you read his book, he also struggled to make things happen. Nothing new you say, well it is just history repeating itself. Looking forward to seeing you there. Pyramid Hill and District Historical Society Inc. Committee

There was much laughter at dance practice when the Filipino community came together to learn their dance for the Fiesta to be held in Pyramid Hill on Saturday October 22

---

**Finest Classical Musical Coming to Pyramid Hill**

**Friday, 21st October**

The clarinet, with its haunting and ethereal sound, takes centre stage in Pyramid Hill as part of the Engine Room presents series for this intimate chamber music performance, featuring Mozart’s timeless Clarinet Quintet.

Melbourne Chamber Orchestra takes great pride in being an orchestra for all Victorians, using its size and artistic agility to delight audiences throughout regional Victoria.

Featuring five performers, audiences will enjoy-

- Beethoven - String Trio in C minor Op 9 No 3
- Mozart - Clarinet Quintet
- Alfred Hill - String Quartet No 6
- The Kids: III Adagio
- Weber - Clarinet Quintet in B flat major Op 34: IV Rondo

A performance by Melbourne Chamber Orchestra reflects the city’s independent spirit and distinctive cultural identity. Under the artistic direction of legendary Australian violinist William Hennessy, this vibrant orchestra captivates audiences with its world-class artistry, dynamic stage presence and stimulating programming from the vast chamber music repertoire.

Founded in 1991 as Australia Pro Arte Orchestra, Melbourne Chamber Orchestra has a core of string players drawn from Melbourne’s outstanding community of orchestral artists.

Pyramid Hill audiences can enjoy this performance for just $10 per person at the Pyramid Memorial Hall on Friday 21 October at 7pm. Tickets are available at the door.
