World Grand Prix Volleyball Experience

Congratulations to all of the Pyramid Hill College students who did a wonderful job as court officials for the highest ranked Women’s Volleyball competition in the world, played in Bendigo over the weekend. We congratulate the students who volunteered and thank their parents for supporting them to be part of this major sporting event. It sounds like they all had an amazing experience, collecting signatures of the Australian Volleyball team, featuring on the big screen, and displaying their new skills of ball retrieval, quick mopping and court cleaning with their expert fancy footwork. It shows, again, that we have some remarkable students at our school!

It was a busy weekend for the students as they travelled to Bendigo on Friday, Saturday and Sunday to officiate at one of the games. The competition was very strong and it was a great experience to watch such high level athletes. Although the Volleyroos put in a good effort, they did not win any games, but were up against three teams which ranked higher than the Australians, with Colombia 27th in the world, Kazakhstan 26th and Mexico 28th.

Some comments re our team:

Federation of International Volleyball delegate, Allan Brodie said, “a brilliant support team”

Referee Delegate Mr Sun said, “the best floor moppers I have seen.”

The photos show some action from one of the games and our students below with the Volleyroos and other Volleyball officials.
Pyramid Hill College Year 9/10 Melbourne Trip

Year 9 and 10 students visited Melbourne last week. On the way, Bendigo Campus of LaTrobe University provided students with an informative and easy to understand presentation and clearly outlined their admissions and early entry schemes. Students took part in a tour and an Engineering immersion activity at Victoria University Footscray campus, where they were involved in activities requiring them to drop eggs 2 metres into receptacles they designed, without cracking the eggs. In some partnerships this was not the case and we had a few ‘Humpy Dumpy’ situations!! Teagan and Jess were the winners managing to drop their eggs without damaging them. Kevan and Zac were victorious in building an apparatus to ‘float’ the egg to the ground from over two metres high.

‘The Glass Menagerie’ by Tennessee Williams was performed at the Malthouse Theatre, and provided a display of superb acting and theatrical effects, but proved to be very long. Our tour of AAMI stadium and Melbourne Storm facilities, focusing on careers in sport, provided students with some interesting speakers who recounted their pathways into the industries, as well as showing them the gymnasium full of well-muscled Storm players working on their fitness and strength.

Top Designs – The Best VCE Folios from 2015 and the Imax were also viewed, but the final day highlight proved to be the winner, when students were able to confront fears of height and challenge themselves at ‘Clip & Climb’ in Berwick. Various levels of climbing difficulty were catered for so students could challenge themselves and each other. Zac’s pole jumping has to mentioned, as he ascended a series of poles doing ‘frog’ jumps up to the top level of 8-10 metres. Kattrina and Emma also challenged themselves to complete this activity which was a great effort as the higher you climbed the more the poles tended to sway.

It was a huge pleasure to take our students away again and to provide opportunities for them that they would otherwise not get.

It was also great to catch up with past students at VU. Yet again our students have represented our school and families very well.

Clip & Climb in Berwick
Seniors News

Well, after a bit of drama with the DVD, the show finally got underway. A few new faces were there, so welcome to you. Good movie, nice afternoon tea and some socializing, what more is needed? Stay tuned for next movie day.

Don’t forget to put your name down for our luncheon in Friday - $10 for two courses and a guest speaker.

I think there is one seat left on the bus for the trip to the Catalina Museum on the 20th, so get in quick to Peg on 5455 7191.

Card Bingo - Ernie won 6 Bingoes and 1 lucky card, Peg 4 Bingoes and 2 lucky cards - everyone else won one or two games. Ernie also won lucky door.

Cards - 500 - Trevor, 3, Wanda 2, Jeanette, Peg and Kate - 1 each.

Happy Birthday to everyone having one - I believe Evelyn Cook had one on Tuesday, 2nd June.

Stay well, Stay safe and Stay warm!!
Monday Night Netball

Red took on Pink in the first game and started off strongly to open up a small lead in the first quarter but after quarter time Pink took control of the game and ran away with the game resulting in a comfortable win of 37 goals to Red’s 21 goals.

In the second game Purple proved too strong for Blue and doubled Blues score with 40 goals to Blues 20 goals. Good to see Matt back on the court after a self imposed week off.

Marie showed leadership by taking on the GS position and demonstrated to her younger team mates how to perform under pressure. We are looking forward to seeing more of it in the coming weeks.

We are looking at getting the next season up and running so if people could show their interest by contacting Katrina van Eyk: 0438 894 437 or Colleen Hampson: 0427 506 375.

The committee is considering running the games on a Tuesday night to help accommodate more players but this is still to be determined.

The Australian Government Mobile Service Centre is supporting rural communities by providing convenient access to Australian Government payments and services. This specialised vehicle offers a wide range of face to face and self service assistance for rural families, older Australians, students, job seekers, people with disability, carers, farmers and self-employed people.

You can visit the Mobile Service Centre:

**Near the Neighbourhood House, Kelly Street, Pyramid Hill**
**Thursday, 23rd June - 9 am to 3 pm**

Experienced staff travel with the Mobile Service Centre and provide friendly, face-to-face service, information and support. The Australian Taxation Office will also be available to assist with advice and information about tax and superannuation. If the assistance you’re after is not available, arrangements will be made for someone from the relevant organisation to contact you.

For more information, go to humanservices.gov.au and search for Mobile Service Centre or call 132 316

Great news!! The “Mystery of the Missing Jack” has been solved. Fred and “jack” have been reunited! Fortunately for “jack” he was not left alone and forgotten for too long. A kind and friendly soul rescued poor “jack” and gave him a good home until his owner could be located. This small matter has highlighted a couple of important facts. Firstly the “Power of the Press”! Once the news was published that “jack” had gone missing, the bush telegraph and rescue team swung into action immediately and the dilemma was soon unravelled. Secondly, it is heart-warming to know that good and honest people live in our community. Thanks to Amanda (daughter of Allan and Robyn) for her assistance to solve the mystery and have “jack” reinstated to his rightful position. Fred is eternally grateful and, if pressed, might even come up with a suitable reward… at least a pat on the back. Now we can all take a deep breath and take a break until……………next Wednesday.

The Annual General Meeting
The AGM will be held next Wednesday, 15th June with a 7:30 start. Everyone welcome. Board members with particular responsibilities are asked to have their reports, preferably written reports, ready for presentation to the meeting. Everyone is welcome to attend.

C GRADE
Mitiamo put on its finest weather with the rain coming down to start the game. With a number of people unavailable this week, many of the C Reserve players stepped up to fill the side. After a slow first half, a few positional changes, we were then able to be a little more competitive in the second half but unfortunately could not keep up with a very strong Mitiamo. Everyone kept their heads up, giving a great effort.
Mitiamo 60 d. Pyramid Hill 35
Best – Belinda Watts

C RESERVE
Due to lack of number Pyramid Hill forfeited.

17 & UNDER
It was a rainy day in Mitii but our girls started off with a great 1st quarter as both teams shot equal goals. Unfortunately the Pyramid girls lost a few passes and good opportunities as the game progressed. Even though we lost, there were some great passages of play against a tall team. Overall a great game from the girls.
Mitiamo 60 d. Pyramid Hill 35
Best – Tess Hampson

B GRADE
It was a wet miserable day at Mitiamo. The first quarter saw both teams fairly even with only a 5 goal difference at the break. Mitiamo’s shooters refused to miss any scoring opportunity slowly sneaking ahead each quarter. It was a great effort by the Pyramid girls playing the top team and never putting their heads down. Well done girls.
Mitiamo 60 d. Pyramid Hill 35
Best – Emily Prout

15 & UNDER
Travelled down the road to Mitiamo today. Cold, wet conditions on and off all day. We started off well with some nice passages of play. A very tall Mitii team were relentless and with a few concentration lapses we were behind. Everyone kept working hard. Our defence were great but unfortunately we didn’t get over the line.
Mitiamo 60 d. Pyramid Hill 35
Best – Olivia Hampson

MINIS
It was a cold wet day but the minis girls still decided to hit the court. The girls got a couple of goals and were off to a good start. In the 2nd half the girls still had the lead and finished off strong. Well done girls.
Best – Zoe Stewart

Please make sure you check your rosters and turn up for scoring etc. and for working in the shed - it all helps to keep things running smoothly and shares the work load.

This week we take on neighbouring club Calivil! After the game stick around and head to support our local sponsor “The Vic Hotel” and enjoy the delicious cuisine and hospitality that Dave and Deb and staff provide.

Our next social event is the Goods and Services Auction which will be held on July 2nd. This is an important night to ensure the longevity of our club; so it would be great to have everyone pitch in to make the auction a roaring success. Any donations for the night will be gratefully received by David James or Rob Moon or any committee member.

Let’s come home with three wins out of three this week against arch rivals Calivil!

Go Bulldogs!

---

**Pyramid Hill Footy Results**

**Pyramid Hill v Mitiamo**

Not the greatest of days on Saturday as not only did we endure cold, wintry conditions but we also came home battle weary and defeated as Mitiamo reigned supreme all day. The boys gave their all in both games and were competitive; but the Mitiamo teams were too strong on the day.

**RESERVES**

We started on fire hitting the scoreboard early and the scoreboard at quarter time was 4.2 to 3.1 Mitiamo’s way. We were all playing really well coming into half time with plenty of positives with both teams only scoring a solitary point in the second quarter. After half time, Mitiamo certainly put their foot down. Our boys fought hard all day with many good passages of play, we just need to up our consistency and have all four quarters of good play. Young Bailey Goodwin had an excellent game on the wing and is certainly a name to watch, Woolly also put in a really solid game yet again.

Now we have to look forward as we take on the Calivil side next week.

**Final Score:** Mitiamo 8.10.58 def Pyramid Hill 5.6.33

**Goal Kickers:** L Southern 2, C Leerson, M Scott, J Amos

GM Water Connections Project Meeting at Pyramid Hill

Residents interested in having a say about how the Goulburn Murray Water Connections Project is delivered are encouraged to attend a session to be held in

**Pyramid Hill on Wednesday 15 June, at the Memorial Hall**

As a member of the Connections Project Stakeholder Committee, I am well positioned to present the case for having the irrigation project completed across the entire region as initially outlined.

To share your thoughts about how the irrigation infrastructure upgrade could affect you, set aside some time to attend a facilitated round table discussion or simply drop to have your say at the Pyramid Hill Memorial Hall on Wednesday 15 June.

You can register for a daytime round table session scheduled to take place between 12pm and 2pm, or an evening session to run from 6pm to 8pm by phoning 5826 3776, or emailing project.director@gmwater.com.au.

Alternatively you can drop in any time between 12pm to 8pm to share your thoughts with a with a Connections Project representative.
