Principal's News

Indonesian Exchange Visit

Our Indonesian visitors have arrived and what a wonderful week we have had as we have shared food and experiences, showing the similarities and differences within our cultures. We have enjoyed showcasing our town, country and the agricultural industry within the area. On Thursday a group of our students and the Indonesian visitors enjoyed a day out at the Kyabram Fauna Park. Today the Ag elective students and the visitors went on tour to see a shearing shed in full working mode and then we visited the Stewart's dairy farm, where Silvester Mutugi gave us a great insight to a working dairy farm.

Hosting exchange students is a wonderful opportunity for our students to build relationships with students of a different religion and culture. A huge thank you to the Umali, Apostol, Bartels, Kerr and Gould families who have so generously welcomed the Indonesian visitors into their homes and allowed this visit to happen.

Ag Expo

Last Wednesday the Year 9/10 Agricultural Elective attended the Ag Expo at Kerang Technical High School. The day comprised of exhibitors displaying farming equipment, tractors, livestock and employment opportunities. There were a number of guest speakers who motivated the students as they spoke of their experience in the agricultural industry. It was a terrific day and congratulations to Kerang Technical High School for organising such a high calibre event for students in the region.
