Principal's News

Disco & Fun Run/Colour Run

Our Disco yesterday and Fun Run/Colour Run today were simply amazing events and a perfect way to end the term.

A huge thank you to Mrs Cain and the SRC students who took the lead with the disco and together with all the students who attended made it into a terrific occasion.

Pyramid Hill College Values

Respect:

We are respectful of self, others and the environment. (we are thoughtful of our words and actions.)

Learn:

We are learners who strive for excellence. (We challenge ourselves to do our best.)

Community:

We are community minded and embrace diversity. (We foster a sense of community and belonging for all.)

Thank you to Mr McCann and Mr Roberts for their work involved with today's fun and colour run. The students as usual did their personal best in the fun run and the colour run ended our term on a high.

How lucky are we to have such a committed staff who placed so much time and effort into supporting and contributing to the extra curricular events. They certainly operate well above what is required of them and we are very thankful they are on the Pyramid Hill College staff.

Thank you to everyone for your hard work and effort this term, it certainly has been a busy one! May you all have an enjoyable holiday break and hopefully you get to spend some quality time with your family and friends.

Year 7/8 Mousetrap Cars

Congratulations to Matthew who was this year's mousetrap car champion. His car went a distance of 11.6 metres. This means the record of Psalm Caburnay still remains. Pictured Matt and his winning car. Congratulations to all year 7/8s for their persistence in designing and modifying their mousetrap races and the trebuchets.

School Vision Statement

The Pyramid Hill College community is committed to providing an inclusive, caring and rigorous learning environment that engages our students and challenges them to reach their full potential; academically, socially, emotionally, physically and creatively.

Students are empowered to demonstrate and value knowledge and skills that will support them, as life-long learners, to participate in and contribute to a wider community.

We promote a positive school culture that ensures staff, students and parents feel valued, have meaningful opportunities to contribute to the school and can effectively engage in the learning journey.

Year F-6 News

Disco

We have had some very excited students this week, getting ready for the Disco, practising their dance moves, talking about what they will wear and buying their tickets. A lot of work has gone into this evening and we need to thank Mrs Cain and her band of helpers from the SRC for all the preparation and organisation for the Disco last night. Thank you should also go to the Hands On Learning gang for their help as well. We are very lucky to have great students and teachers who give up their time to help and supervise on the night. Please make sure you thank them.

AFL Football Clinics

Maddie from AFL Development has visited our school on Tuesday to teach our students football skills and some fun games. The students had a great time learning how to handball, kick and bounce the football. Thank you to Mr McCann for organising this clinic.

Loddon Shire Australia Day 2024 Competition

We are currently completing the Loddon Australia Day 2024 competition. This consists of a colouring competition for Years F-2, a literature competition and a photographic competition. The theme this year is "Australian Way of Life". This year the Year F-6 have completed the literature and colouring competition at school. If it is possible, we are asking students to take a photo of the "Australian Way of Life" at home and send it to school by email, messenger or print it off please. Students need to take the photo and they can take a selfie. We feel this way there will be a bigger, better variety of photos than if we take them in the school ground.

Scooters & Bikes

Once again, this week Year F-6 have really enjoyed being put through their paces, learning how to ride their bikes and scooter at school. A big thank you must go to Mr McCann for organising and taking the lessons for the last two weeks. Also thank you to the parents for bringing in the bikes and scooters. The students have had a great time.

Sandhurst Division Athletics

Congratulations to Samer, Brady, Tristan and Isabella for competing in the Sandhurst Division Athletics in Bendigo on Monday. All athletes competed well against some very high level competitors. Well done.

Holidays

I hope everyone has a safe and restful holiday ready for term 4, where once again we have a lot on with camps and end of year celebrations.
